The screenshot shows the lichess.org website interface in a Mozilla Firefox browser. The page is titled "lichess.org • Free Online Chess - Mozilla Firefox". The main navigation bar includes links for PLAY, LEARN, WATCH, COMMUNITY, and TOOLS. The user is logged in as "withington".

The main content area is divided into three sections: "Quick pairing", "Lobby", and "Correspondence". The "Quick pairing" section is active and displays a grid of game options:

Quick pairing	Lobby	Correspondence
1+0 Bullet	2+1 Bullet	3+0 Blitz
3+2 Blitz	5+0 Blitz	5+3 Blitz
10+0 Rapid	10+5 Rapid	15+10 Rapid
30+0 Classical	30+20 Classical	Custom

On the right side, there are three buttons: "CREATE A GAME", "PLAY WITH A FRIEND", and "PLAY WITH THE COMPUTER". Below these buttons, it shows "51,768 players" and "21,070 games in play".

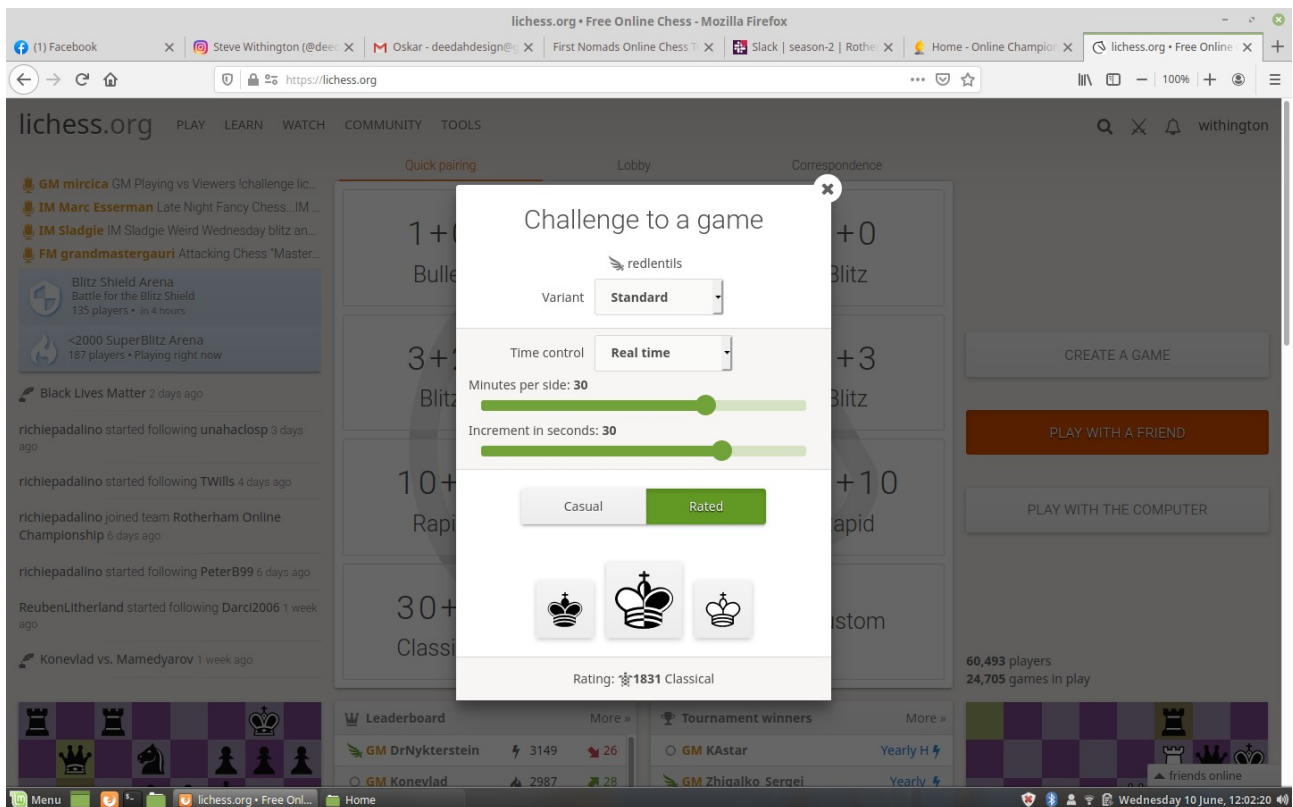

The left sidebar features a "FM grandmastergauci" section with a "Clutch Chess" event and a "Black Lives Matter" announcement. Below this is a "Leaderboard" section with a list of top players: GM DrNykterstein (3186), GM Konevlat (2987), and GM Zhiqalko Sergei (Yearly H).

The bottom of the page shows a "friends online" section with a small chessboard and a "friends online" button. The browser's address bar shows "https://lichess.org". The system tray at the bottom indicates the date and time: "Thursday 11 June, 09:53:53".

The screenshot shows the Lichess.org website interface. On the left sidebar, there are links to different game types: BULLET (1500? 0 games), BLITZ (1811? 11 games), RAPID (1500? 0 games), CLASSICAL (1743? 1 games), CORRESPONDENCE (1500? 0 games), and PUZZLES (2084 58 73 puzzles). The main content area displays the profile of 'redlentils', who is also known as 'Ray'. The profile shows a rating of 155, a bio stating 'Returned to OTB chess last year in my fifties after a long break. Playing in a local league in South Yorkshire.', and other details like 'ECF rating: 155', 'South Yorkshire United Kingdom', and 'Member since 19 Aug 2019'. A search bar is located in the top right corner, and a 'Following' button is next to the user's name. The bottom of the page shows a list of recent games, with the most recent one dated 13 MAY 2020.

Each round pairings will be listed on the website. Use the search facility, labelled 1 here, to find your opponent. In this case it is redlentils, a.k.a. Ray King.

Then click on the icon, labelled 2 here and a box will appear where you can set up your game with the correct settings.

Above are the settings you need for this tournament. When you are ready click on the colour you will be playing. Black, random or white, with random not being an option for this tournament.

If you make an error simply cancel the challenge and try again.
